## HOW TO PLAY

### Scoring

- A match is played best 3 of 5 games (or 4/7 or 5/9). For each game, the first player to reach 11 points wins that game, however a game must be won by at least a two point margin.
- A point is scored after each ball is put into play (not just when the server wins the point as in volleyball).
- The edges of the table are part of the legal table surface, but not the sides.
