

RETAILER CURBSIDE PICKUP

Los Cerritos Center has developed a plan to support any of our retail partners wishing to offer curbside pickup. The information below is a guideline to help you to communicate and operate this service in the best and most efficient manner to serve our shoppers.

Operating Hours: Monday – Saturday 10 am – 9 pm; Sunday 11 am – 7 pm

- There is two designated locations:
 - Location #1: The Food Court Entrance on the west side of the shopping center
 - Location #2: The Center Court Entrance on the east side of the shopping center
- There will be 8 designated parking spaces identified at each location for Curbside Pickup guest parking. These locations will be designated with Curbside Pickup signage.
- Guests will be required to leave the Curbside Pickup space once they have received their order.
- Any store with an outside entrance will be permitted to use one of their designated exterior entrances.
- Each store is responsible for coordinating the communication and delivery of merchandise to your customers directly. Once the customer arrives, they should contact you with their numbered parking space.
- Directional signage will be placed at mall entrances directing customers to the Curbside Pickup location(s).
 - All shipments/deliveries will continue to use appropriate service areas near your store.
