 Charges not subject to the property tax caps include property tax levies approved by voters through a referendum. When added to the base property tax cap amount for your property, this creates the effective tax cap. For more information, see the back of this document. Information regarding the referendums proposed during the most recent elections can be located online at; <u>www.in.gov/dlgf/referendum-information</u>.
 If any circumstances have changed that would make you ineligible for a deduction that you have been granted per Table 5 of this tax bill, you must notify the county auditor. If such a change in circumstances has occurred and you have not notified the county auditor, the deduction will be disallowed and you may be liable for taxes and penalties on the amount deducted.
