

Personal Data Specification - *Optional*

By default, Macerich will provide access to, deletion of, or correction of records which can be linked to the verification information provided. If your access, deletion, or correction request is related to specific pieces of information, identify them below. If Macerich may hold additional information on the identified Requestor or Individual/Data Subject, you may list the other data categories or individual data pieces below (e.g. other email addresses, mailing address, etc.). Additional verification may be required before the request can be processed.

Appeal Declaration

If you are making an appeal of a decision regarding a previous request, please specify the basis for the petition for review below.

Notes:

- **Request Authorization:** Submission of this request serves as certification that the information contained within it is correct and that you are authorized to make this request. Additionally, your submission authorizes Macerich to use the information provided in the processing of your request.
- **Provision of Personal Information:** The information you provide as part of this request will be used solely for the purposes of processing your request. Provision of personal data is voluntary. However, if you do not provide sufficient information, Macerich will be unable to process your request. Additional information may be requested in order to aid in the processing of your request.
- **Authorized Agents and Parent/Guardian Requestors:** If the request is made by a person other than the individual and sufficient proof of authorization cannot be provided, the request will be denied.
- **Submission:** Completed forms may be submitted by email (Privacy@macerich.com) or through regular mail, certified mail, or other delivery service.
